

Washing & care instructions

Washing

Always follow Jobman's washing instructions shown on the garment. This ensures that the garment's protective features are not compromised or destroyed. Sort first according to the wash temperature and colour, then according to the other washing instructions. Garments marked "wash separately" may discolour or be discoloured by other garments.

Washing detergent

Use colour-safe washing detergent with coloured garments and follow the dosing instructions on the packaging. Do not use washing detergent containing bleach. Jobman does not recommend rinsing or the use of fabric softeners.

Drying

Most of the garments feel better when hung to dry. Shake the garment and hang it up. When tumble drying, do not dry the garments completely. This can cause significant shrinkage and wear.

Your Jobman workwear will last longer if you wash and care for it properly.

Size Guide

Jobman offers a wide range of sizes, particularly for trousers. It is important to choose the right leg length for trousers with kneepad pockets, so that they are correctly positioned on the leg. All of our men's trousers are available in three size categories. C sizes with normal leg length, e.g. C50, C sizes with long leg, e.g. C150, and D sizes with short leg, e.g. D96.

If you are not able to try on the clothes in the shop, you can take your measurements to ascertain the right size. Take your measurements while wearing close-fitting underwear and do not pull the measuring tape too tight. See the size chart on the next page.

A - Chest

Measure the circumference around your torso at the widest part of the chest/bust.

B - Waist

Measure the circumference at the same level as your belly button or at the narrowest part.

C - Hip

Measure the circumference around your hip at the widest part.

D - Inside Leg

Measure from the crotch down to the sole of your foot. Make sure the tape is straight.

Pictogram

Every CE-marked garment must have a label bearing a pictogram that shows the measurement range for the garment. This allows you to check inside the garment to make sure it's the right size.
